

Let Advanced Commercial Capital Remove the Roadblocks to Your Success.

Advanced Commercial Capital is a factoring company specializing in factoring freight bills for trucking companies.

Factoring with Advanced Commercial Capital means **YOU GET IMMEDIATE CASH** – you don't have to wait 30-60 days to receive payment on your freight bills. We can meet the needs of every size of trucking company, whether large or small.

- ✓ Low, Competitive Flat Rate Factoring Fee
- ✓ No Reserves
- ✓ Non-Recourse
- ✓ Achieve Maximum Profitability

We invite you to try a different approach to factoring. At Advanced Commercial Capital, our contracts don't have a set term. You can terminate the contract anytime you want with no termination fees. We don't charge any setup fees, we don't hold any of your money in reserve, and we are always trying to earn your business because we know you can leave anytime if we don't give you the service you deserve.

If you currently factor your freight bills . . .

- *Is your factoring rate more than what you were promised when you signed up?*
- *Does your current factoring company hold your money in reserve?*
- *Are you required to buy back invoices if your factoring company does not get paid?*
- *Does your current factoring company refuse to factor loads you haul for some of your established customers?*

If you answered yes to any of the questions above, *WE CAN HELP!*

"Advanced Commercial Capital is the ONLY factoring company I will work with. They are professional, courteous, and they are quick to respond to my business needs." Luis Benitez, XCTO Inc. - Fontana, CA

"We love working with Advanced Commercial Capital. We highly recommend them!" K&D Transportation - Lehi, UT
